

Dima Tikhomirov

IT TALENT SOURCER

dimatikhomirov25@gmail.com

LinkedIn

Telegram

Professional Summary

Experienced Sourcer with 4+ years in candidate sourcing, including mentoring and training junior sourcers. Strong track record in sourcing for roles of varying complexity across technical and non-technical areas, building effective pipelines, and optimizing sourcing processes. Additionally, I bring 2 years of WordPress development experience, enabling me to support web-related tasks and improve website performance.

Professional Experience

Senior IT Talent Sourcer

Sep 2025 – Present

CoreWillSoft GmbH

Tools: LinkedIn, Trello, Jira, Djinni, DOU, Telegram, Upwork, PeopleGPT(JuiceBox), ChatGPT, Wandify, Magical

- ▶ Worked with active and passive candidates: conducted in-depth CV screening, coordinated HR and technical interview stages, and provided structured feedback to candidates;
- ▶ Sourced and engaged highly relevant candidates for senior roles using LinkedIn, Djinni, DOU, GitHub, and advanced Boolean/X-ray search techniques;
- ▶ Designed and owned sourcing strategies and candidate pipelines, adapting approaches based on technology stack, market conditions, and hiring priorities;
- ▶ Built and maintained talent pools for key roles, ensuring readiness for future hiring needs and reducing time-to-hire;
- ▶ Analyzed sourcing performance metrics (response rate, conversion, pipeline health) and refined search and outreach tactics to improve hiring outcomes;
- ▶ Developed and A/B-tested outreach messaging and engagement campaigns to maximize response rates and candidate quality;
- ▶ Partnered with recruiters and hiring managers by providing market insights on talent availability, salary expectations, and competitor activity;
- ▶ Conducted role and market research to identify target companies, talent clusters, and competitor hiring trends;
- ▶ Led candidate experience initiatives at sourcing stage, ensuring timely communication, clear expectations, and positive engagement;
- ▶ Created and updated internal sourcing documentation, playbooks, and search templates to standardize best practices across the team;

Senior IT Talent Sourcer

Aug 2024 – Aug 2025

1 year 1 month

AIDA Recruitment / AIDA projektai

Tools: LinkedIn, Trello, GitHub, Stack Overflow, Djinni, DOU, Telegram, Work.ua, Robota.ua, Upwork, PeopleGPT(JuiceBox), ChatGPT, Waalaxy

- ▶ Worked with active and passive candidates: conducted in-depth CV screening, coordinated HR and technical interview stages, and provided structured feedback to candidates and stakeholders;
- ▶ Sourced and engaged highly relevant candidates for senior and niche roles using LinkedIn, Djinni, DOU, GitHub, and advanced Boolean/X-ray search techniques;
- ▶ Designed and owned sourcing strategies and candidate pipelines, adapting approaches based on technology stack, market conditions, and hiring priorities;
- ▶ Analyzed sourcing performance metrics (response rate, conversion, pipeline health) and refined search and outreach tactics to improve hiring outcomes;
- ▶ Partnered with recruiters and hiring managers by providing market insights on talent availability, salary expectations, and competitor activity;
- ▶ Mentored junior sourcers: onboarding, sharing best practices, reviewing strategies, and supporting professional growth;

Middle IT Talent Sourcer

Mar 2023 – Aug 2024

1 year 6 months

AWWCOR, Inc.

Tools: LinkedIn, Trello, GitHub, Stack Overflow, Djinni, DOU

- ▶ Worked with both active and passive candidates: performed CV and profile screening, coordinated HR and technical interview stages, and delivered structured feedback to candidates;
- ▶ Sourced and identified highly relevant candidates aligned with vacancy requirements using LinkedIn, Djinni, DOU, GitHub, and advanced Boolean/X-ray search techniques;
- ▶ Developed and executed sourcing strategies tailored to specific roles, technologies, and target markets, ensuring a consistent and high-quality candidate pipeline;
- ▶ Analyzed sourcing performance metrics (response rate, conversion, pipeline quality) and adjusted search and outreach approaches accordingly;
- ▶ Customized outreach messaging based on role specifics, seniority, and candidate background to improve engagement and response rates;
- ▶ Mentored and supported Trainee Sourcer: onboarding, sharing sourcing best practices, reviewing search strategies, and providing ongoing performance feedback;
- ▶ Provided market insights on talent availability, salary expectations, and competitor activity to support hiring decisions;
